

## WOW 5<sup>SM</sup> SERIES

### The Overview Program and Specific Topical Themes

#### WOW5<sup>SM</sup> WORKFORCE COORDINATION/COLLABORATION WORKSHOP

CORE COURSE OUTLINE AND  
THEMES: One to two-day options—1.5  
to 2-hour intensives in the Overview  
with discussions about application—  
what the participant can/will try:

- ★ **Getting it Done:** With less waste of time, energy, and resources. What are you not getting done and why? Strategies to get things done more efficiently returning time and energy back.
- ★ **Getting it Right:** Right from the start, with standards, accuracy, and getting better agreements set for increased quality “unshakeable confidence” and trust
- ★ **Get Along Well:** Leveraging prior training on diversity, strengths, styles, goals. Reduce conflicts and increasing collaborative behaviors to create teams easy to access
- ★ **Get Acknowledged!** Building and maintaining mutual trust and respect within a highly motivated, talented, professional, and appreciated workforce-demonstrate *excellence*
- ★ **Get a Life, too! Sustain positive energy!** Promote overall life wellness, readiness, resilience and do “bounce” back from unanticipated crises with fresh game plans. Keep all you do a positive expression of your untested leadership capabilities
